

UCF Counselor Education Program Student Outcomes (2016-2017)

Program	Acceptance Rates	# of Grads	Completion Rates*	Exam Pass Rates**	Employment Rates
Clinical Mental Health Counseling (MA)	25% Fall 57% Spring	38	97%	90%***	90%
Marriage, Couple, and Family Therapy (MA)	24% Fall 55% Spring	23	96%	100%****	90%
School Counseling (MA, MEd)	47% Fall 87% Spring	18	88%	100%*****	90%
Counselor Education (PhD)	19%	11	100%	N/A	100%

* We do not designate full and part time students: whereas it generally takes a full-time student 7 full semesters to complete the program, this is not a mandatory plan of study. Therefore, to account for both full and part time students, we use a 4 year bench-mark from start to completion.

** Based on 2016-2017 scores, these pass rates represent those who passed the exam on their first attempt.

*** The National Board for Certified Counselors (NBCC) provides the State of Florida with exam pass rate information. In 2016, 38 UCF alumni took the National Clinical Mental Health Counselors Exam (NCMHCE) and 34 passed on their first attempt. As a comparison, for the entire state of Florida, the first time pass rate of all test-takers in 2016 was 56%.

**** The Association of Marital and Family Therapists Regulatory Boards (AMFTRB) provides the State of Florida with exam pass rate information. In March of 2017, 1 UCF alumni took the exam and passed. As a comparison, for the entire state of Florida, the first time pass rate of all test-takers in 2017 was 83%.

***** Students in the School Counseling track must pass their state qualifying exams during their internships and cannot graduate until they do so. Thus all students who graduate from the School Counseling track have passed their state qualifying exams.
