

# ***FEA @UCF* Member Benefits**

*FEA @UCF* membership on a professional resume is an indicator to employers that the teacher candidate was serious about their pre-professional experience. *FEA @UCF* leaders can also expect to earn letters of recommendation that demonstrate to employers a high level of commitment to the profession.

## **The National Organization**

Membership in the *FEA @UCF* includes national and state membership. The mission the ***Future Educators Association*** includes benefits to students, teachers, schools, and communities in a number of ways. *FEA* units provide an effective and dynamic way to:

- attract exemplary future educators and begin averting teacher shortages at a local level, particularly within the areas of math, science, and special education
- encourage students from diverse cultural and ethnic backgrounds to enter the education profession
- elevate the image of teaching and promote it as a challenging and rewarding career
- enhance and facilitate school and college/university relationships; and improve student achievement by focusing on the cognitive and pedagogical underpinnings of academic performance.

## **Other College Organizations**

There are many opportunities to participate and lead during your academic career at the **UCF College of Community Innovation and Education**

Current opportunities can be found here.

Thanks again for considering the *FEA @UCF*!
