

JUNGWON YEO, PH.D.

School of Public Administration,
University of Central Florida

• 407-823-5834 • Jungwon.Yeo@ucf.edu • <https://ccie.ucf.edu/profile/jungwon-yeo/>

EDUCATION

Ph.D. Public and International Affairs, University of Pittsburgh, 2015

- Field: Public Policy and Public Administration
- Dissertation: *Collective action systems in immigration and multiculturalism policy and practice: Complexity and dynamics of inter-organizational networks.*

Master of Public Administration (*summa cum laude*), SungKyunKwan University, S. Korea, 2009

B.A. Management & B.A. Economics (*magna cum laude*), Handong Global University, S. Korea, 2007

APPOINTMENTS

Assistant Professor (tenure-track), School of Public Administration, University of Central Florida, 2016 ~

- Responsibilities are included teaching graduate-level courses (2/2 teaching load); maintaining active research agenda and scholarly publications (minimum 2 per year); seeking external/internal research funding; participating in professional, university, college, school, and community related service.

Postdoctoral Research Associate, Center for Disaster Management, University of Pittsburgh, 2015

HONORS, AWARDS, & RECOGNITION

- 2021** *Teaching Incentive Program Award*, University of Central Florida (The single tenure-track, assistant professor among the six awardees in the college)
Research Incentive Award, University of Central Florida (The single tenure-track, assistant professor among the six awardees in the college)
- 2020** *CCIE Essential Activities Fund*, University of Central Florida
- 2019** *Emerald Literati Award*, Outstanding Paper, *Online Information Review* & Emerald Publishing
- 2017** *Pi Alpha Alpha*, University of Central Florida Chapter
Research Fellow, College of Health and Public Affairs
- 2016** The IMC Award for *#DISC2016 Best Conference Paper*, Daegu Gyeongbuk International Social Network Conference, endorsed by the International Network for Social Network Analysis (INSNA)
- 2014** *Notable Paper Award*, Section on Korean Association of Public Administration, American Society for Public Administration (ASPA)
PhD Student Honoree. University of Pittsburgh
- 2013** *Lawrence Cabot Howard Doctoral Research Award*, University of Pittsburgh
- 2012** *Notable Paper Award*, Section on Korean Association of Public Administration, American Society for Public Administration (ASPA)
Pre-Dissertation Grant, Asian Study Center, University of Pittsburgh

PUBLICATIONS

Research Contexts, Areas & Methods

- **Contexts:** Policy and management issues emerge/evolve around public/global affairs (e.g. emergency and crisis, migration, & border management)
- **Areas:** Behavior, communication, decision making & learning for collective/collaborative problem solving
- **Methods:** Network analysis, statistical analysis, bigdata analysis, decision analysis, & qualitative analysis

RESEARCH FUNDING

Awarded External Research Funding

- 2020 **Research working group member.** Emergency management and policy analysis in a pandemic, COVID-19 working groups for public health and social sciences research through the National Science Foundation-funded Social Science Extreme Events Research (SSEER) Network and the CONVERGE facility housed at the Natural Hazards Center Grant no. #1841338 (NSF Award) \$ 1,000
- Principal investigator.** What drives interorganizational coordination for immigrant integration? Policy and Institution Research Institute, S. Korea, Research Stipend \$ 2000 (March 2020-March 2021)
- 2017-**Principal investigator.** Florida community capacity for protecting undocumented migrants during
2018 Hurricane IRMA 2017. Natural Hazard Center Quick Response Grant funded by National Science Foundation Grant No. CMMI1333610 \$1,450. (November, 2017-March, 2018)
- 2016-**Co- principal investigator.** Enhancement of the natural hazard response system in rural communities by
2018 benchmarking the U.S.A. hazard response systems. Rural Development Administration, National Institute of Agricultural Science, \$ 135,000; Co-PI credit \$27,000 (September, 2016-December, 2018)

Awarded Internal Research Funding

- 2020 **Principal-investigator.** Spring 2021 CCIE RCRG, Research Course Release Grant, College of Community Innovation and Education, University of Central Florida. (awarded Oct 7, 2020)
- 2017 **Fellow.** Inter-subjectivity in refugee integration: adapting native citizen's attitudes toward refugees. College of Health and Public Affairs Research Fellow. January 2017-December, 2017. \$2,500

Research Funding under Review

- 2021 **Principal-investigator.** Smart Coproduction: Evidence-based Whole Community Approach to COVID-19 Response in South Korea. (With Jeon, S.H.) Korea Foundation. \$60,838 (August, 2021)
- Co-principal-investigator.** Community Policing and Community Trust: Lessons for Overcoming Barriers, National Institute of Justice. \$513,028 (April, 2021).
- Co-principal-investigator.** A Study of police-citizen relations in major U.S. cities: Community impacts and overcoming the systemic strain, National Science Foundation. \$2,866,090 (January, 2021).

Non-Awarded External Research Funding/Fellowship

- 2020** *Principal-investigator*. Keys to community organizations' survival amid pandemic: Local nonprofit/community organizations' resource mobilization during COVID-19 (with Lee, Y-j.), Natural Hazard Center Quick Response Grant funded by National Science Foundation \$2,150 (October, 2020)
- Principal-investigator*. Preparation for post COVID-19 era: Exploring community organizations' preparedness for new normal business operations, (with Huang, X.) UCF SEED funding. \$15,790; PI credit \$9,474 (October, 2020)
- Principal-investigator*. Korea, the global innovation leader: Lessons from data-driven public-private partnership for COVID-19 management in S. Korea. (With Jeon, S.H.) Korea Foundation. \$56,004; PI credit \$33,281 (August, 2020)
- Co-principal investigator*. Equity for excellence in government: Family-friendly polices as system changers to combat the leaky pipeline of female professionals (with Jeon, S. H) IBM Business of Government \$20,000 (April 2020)
- Principal investigator*. Race, ethnicity and the 2019 novel coronavirus pandemic: Response behaviors of Asian diaspora and others in the U.S. (with & Huang, X.) Natural Hazard Center Quick Response Grant funded by National Science Foundation \$2,000 (March 2020)
- Principal investigator*. Preparation to 2019 novel corona virus epidemic: Community stakeholders' plans and efforts in Greater Orlando Area (with & Huang, X.) Natural Hazard Center Quick Response Grant funded by National Science Foundation \$2000. (February 2020)
- 2018** *Development fellow*. Asia Foundation \$5,000 + Two professional development programs (December 2018)
- 2017** *Principal investigator*. Nuclear disaster management system of S. Korea: System structure, antecedents, effect, and processes in policy & practice, (with & Kapucu, N.) Korea Foundation \$164,907 (August, 2017)

Invited Lecture/Keynote Address

Star () denotes international invitation*

- 2021** *Invited Speaker**, Whole community co-production: The common key to pandemic management around the world. International Submit Forum on Social Security Frontier, Shanghai University of Engineering Science, Shanghai, China. (Virtual, October)
*Keynote address**, Emergency Preparedness: Multifaceted Approaches. Global Policy Training, Governor's Association of Korea. Invited and organized by Consulate General of Republic of Korea in New York (Virtual, October)
*Invited lecture**, U.S. Emergency & Crisis Management: Research and Practice. School of Urban and Environmental Engineering, UNIST| Ulsan National Institute of Science and Technology, S.Korea (Virtual, August).
- 2020** *Keynote address**, Learning, cognition, & coproduction: Mechanisms behind S. Korea's pandemic management. Special webinar on COVID-19, Korean Connection & Grand Valley State University, Kent County Health Department, MI, USA. (Virtual, November)
*Keynote address**, Emergency and crisis management system in the U.S., COVID-19 special webinar series, hosted by Consulate General of Republic of Korea in New York & American Society for Public Administration's Section of Korean Public Administration (Virtual, April).
- 2019** *Invited lecture*, Network methods and tools. Network analysis for public policy and management. UCF SPA graduate seminar. (April).
- 2018** *Invited lecture**, Big data: Trends of public attention to natural disasters during 2016 Louisiana flood. School of Government, Nanjing University. Nanjing, China. (June)
*Keynote address**, Big data & emergency management. Counterterrorism and governance of emerging crimes in the era of big data. 2018. Police and Science International Forum, Hangzhou, China. (June).
*Invited lecture**, Complexity of decision making in emergencies and crises. Yeungnam University. Daegu, S. Korea. (June).
*Invited lecture**, Trends of public attention to natural disasters. National Institute of Agricultural Science, Rural Development Administration, S. Korea. (June).
- 2017** *Invited lecture **, Collective action in emergency management and homeland security research, Korea University, S. Korea (June).
*Invited lecture**. Disaster resilience in rural community and FL Hurricane Matthew response network, National Institute of Agricultural Science, Rural Development Administration, S. Korea (June).
Invited lecture. Research framework, performance, and directions. UCF SPA international scholars' regular research meeting. (April).
Invited lecture. Observations and reflections of UCF SPA first-year faculty, UCF SPA COPHA Teaching Circle, with Drs. Buckingham, Li, and Myser. (April).

TEACHING EXPERIENCE

Courses Taught

- PAD 7701** Quantitative Method for Public Administration 1
- Doctoral level, PhD core course.
 - 2022 (spring)
- PAD 6397** Managing emergencies and crisis (introduction to emergency, crisis, & disaster management)
- Graduate-level, MECM core course, service-learning course
 - *Modality: Online - asynchronous (13)*
 - Florida high quality online course designation
 - 2021 (spring, summer, & fall), 2020 (spring, summer & fall), 2019 (spring), 2018 (spring, summer & fall), 2017 (summer & fall), & 2016 (fall)
- PAD 6399** Foundations of emergency management & homeland security (introduction to homeland security)
- Graduate-level, MECM core course
 - *Modality: Traditional face to face (1)*

- 2017 (Spring)
- PAD 6701** Analytical techniques for public administration (introduction to statistics)
 - Graduate-level research course, MPA & NMN core course
 - *Modality: Traditional (2), hybrid (1), & online- synchronous (2) & asynchronous (3)*
 - Florida quality online course designation
 - 2021(fall), 2020 (spring & fall), 2019 (spring), 2018 (spring * fall), & 2017 (spring & fall)
- PAD 6700** Research methods for public administration (research design)
 - Graduate-level research course, MPA & NMN core course
 - *Modality: Hybrid (1), & online - asynchronous (1)*
 - Florida high quality online course designation
 - 2017 (Fall) & 2016 (fall)

Teaching Enhancement Activities

- 2021** UCF faculty center for teaching and learning
 - Teaching and learning day: the basics and beyond of service learning (online)
- 2020** UCF faculty center for teaching and learning
 - Teaching and learning day: academic dishonesty in online environments (online)
- 2019** UCF faculty center for teaching and learning
 - Summer faculty development conference (diversity track)
 - Teaching and learning day: course transparency & inclusive classroom
 UCF center for distributed learning
 - Inclusive online learning
 - Active learning across modalities: Techniques for fostering active learning in online courses
- 2018** UCF faculty center for teaching and learning
 - Summer faculty development conference: Service-learning track
 - Teaching and learning day: course transparency
 UCF center for distributed learning
 - Setting the stage: designing for quality online learning experiences
 - Extending the efficacy of the learning management system: Integrating tools to enhance learning online
 - PAL 6000: Personalized and adaptive learning
 UCF school of public administration
 - Teaching circle series
 UCF office of diversity and inclusion
 - Diversity certificate series 1-4
- 2017** Sun shine state teaching and learning conference
 - Integrative learning track
 UCF faculty center for teaching and learning
 - Summer faculty development conference: Personalized-learning track
 - Teaching and learning day
 - Quality enhancement project workshop series
 - *What is next? Student professionalism*
 - *What is next? Research intensive courses*
 UCF center for distributed learning
 - Extending the efficacy of the learning management system: Integrating tools to enhance learning
 - Personalizing the learning experience: Integrating adaptive elements in online courses
 - IDL 6543: Interactive distributed learning
 UCF office of diversity and inclusion
 - DIV326: Facilitating diversity discussion
 UCF school of public administration
 - Teaching circle series
 Governor's hurricane conference
 - TS22. Planning, building and sustaining public-private partnerships (G262)

- TS26. All-hazards media skills
 - TS36. Cross sector disaster simulation
- 2016** UCF faculty excellence
- Student success
- UCF center for distributed learning
- ADL 5000: Faculty development course
 - Online teaching workshop: Personalizing the learning experience: Integrating adaptive elements in online courses
- UCF office of diversity and inclusion
- DIV275 Immigrants among us
- UCF school of public administration
- Teaching circle series

Doctoral Dissertation

Committee Member

- 2020-** Pysmenna, O. Collaborative capacity for effective nonprofit organizational networks serving for the people impacted by humanitarian crisis: The evidence from the military conflict zone in Ukraine (Ph.d. in Public Affairs – Public Administration, University of Central Florida). Chair: Dr. Naim Kapucu
