Note: Capstone courses are to be taken only after all core courses for that program have been completed. It can be taken with one other core course (only two courses that semester as capstone courses are work intensive)

With the submission of this Planned Program of Study, I understand that:

- It is my responsibility to keep informed of all rules, regulations, and procedures required for graduate studies. Graduate program regulations will not be waived or exceptions granted because students plead ignorance of the regulations or claim failure of the adviser to keep them informed.

- The UCF Graduate Catalog is the university's official record of graduate policies. In any case where this document and the Graduate Catalog appear to disagree, the Graduate Catalog is the final authority.

- It is my responsibility to keep informed of all program related rules, regulations, procedures and requirements. To graduate an 'intent to graduate' must be filed in the semester prior to graduating.
