The School of Teacher Education’s Elementary Education Program in the College of Community Innovation and Education is excited to announce that three classes will be offered at our new downtown campus for the fall 2019 semester.

**LAE 3414: Literature for Children** offers teacher candidates a variety of hands-on experiences and opportunities to learn about quality children’s literature and how to effectively use it to engage K-6 students in learning.

**Contact:** Dr. Liz Hoffman  
ehoffman@ucf.edu

**EDG 2000: Careers in K-12 Education** will assist teacher candidates in developing their own career and life goals in the field of education. Students will explore a variety of careers within the field of education. Course experiences will introduce students to career and life planning theories and concepts and how to apply these to their own lives.

**Contact:** Dr. Taylar Wenzel  
Taylar.Wenzel@ucf.edu

**EDF 2720: Children in Schools: Legal, Ethical and Safety Concerns** introduces students to an analysis of critical issues within the schools by focusing on the impact of legal, ethical and safety issues on children’s lives within schools. It will allow students to exercise their skills of examination and evaluation to critically analyze various issues associated with public education and to determine personal beliefs about those issues.

**Contact:** Dr. Junie Albers-Biddle  
Junie.Albers-Biddle@ucf.edu

**TRANSPORTATION TO UCF DOWNTOWN**

- Drive yourself or with a friend. Your UCF parking permit is valid at UCF Downtown.
- UCF will provide direct shuttles going to and from main campus with 15 daily round trips.
- Students also have free access to rapid bus transit systems Lynx and Lymmo.
