

Paving the Way Foundation

Non-paid internships that are engaging, fulfilling and impactful.

Paving the Way Foundation is a *Fierce disruption* in the cycle of child trafficking by empowering children, parents and communities how to combat this crime through education and training programs.

We powerfully educate parents, teachers, students and community leaders about sex trafficking, the affects it has on families, our communities, our future. We've educated over 10,000 youth and adults around the United States over the past two years. We are on the leading edge of prevention education in the country.

Administrative/Clerical

This is an opportunity to work with amazing, highly trained individuals, a very experienced executive team and directly with the President and Founder. You will have the chance to have a direct impact on our company; your community and you will get trained. The selected candidate will be responsible for assisting and supporting the President and CEO with a variety of administrative, clerical, data entry, and research along with other important initiatives.

Education/Training

This is an opportunity to work with amazing, highly trained individuals, a very experienced executive team and advisory board. You will have the chance to have a direct impact on our community we serve. The select candidate will be trained to prep for, support and lead our educational programs to youth in schools and adults in the community. You must be willing to speak in front of people or at least be trained to do so and you will be required to pass a background check.

Community Liaison

This is an opportunity for your love of people to shine. You'll be working side by side with our President, representing the organization out in the community, both with the President, and when fully trained, out on your own to connect with the community and create opportunities for Paving the Way Foundation to bring their education to organizations around Central Florida. Must be people oriented, have an outgoing personality and willing to be trained in the art of networking and learn follow up techniques.
