

INTERNSHIP PROGRAM INFORMATION

Who We Are

The UCF Department of Security, which originally was part of the UCF Department of Security and Emergency Management, was established in 2014 to standardize security across the University. The Department of Security is responsible for overseeing the following areas at UCF's Main, Rosen, Lake Nona, and Downtown campuses:

- Installation, administration, and maintenance of all security cameras and access control systems
- Management of UCF's contract security guards

Internship Opportunities

The Department of Security is looking for enthusiastic interns who want to participate in exciting growth of this department and the University of Central Florida. We offer flexible scheduling and a convenient on-campus location. Some benefits of an internship with our office include:

- Assist in the operation of UCF's Global Security Operations Center (GSOC)
- Utilize security technology to detect and deter criminal activity while analyzing crime statistics and criminal trends on campus to effectively implement security enhancements
- Exposure to UCF security systems and practices with opportunities to implement enhancements
- Participation in creating security designs for UCF facility constructions and renovations
- Participation in evaluating security technology, including product demonstrations and testing
- Participation in security assessments across campus
- Opportunity to contribute in the development of policies, procedures, and standards by leveraging security best practices
- Participation in planning and providing security for major campus events such as football games and VIP visits
- Collaboration with the UCF Police Department and the UCF Department of Emergency Management

Note: *Interns will have access to sensitive, security-related information and will be required to sign a non-disclosure agreement and will be required to pass a law enforcement background check prior to the beginning of the semester.*

Contact Information

If you are interested in working with our department, we offer opportunities for 3 and 6 credit hour internships. Please contact the Department of Security (ds@ucf.edu) for additional information.
